CIRCUS TECHNIQUE: AERIAL ROPE, LAMP MANIPULATION
SUITABLE FOR ALL AUDIENCES

IN FRONT OF THE MANY COMPLEX PROBLEMS WE FACE AS HUMANITY, WE BELIEVE THAT ART SHOULD BE AN INVITATION TO UNDERSTAND THE PRESENT IN ORDER TO IMAGINE A MORE SUSTAINABLE AND, THEREFORE, HAPPIER FUTURE. WE ARE AWARE THAT ART HAS THE POWER TO SHIFT LIMITS, TO PROMOTE NEW VALUES. WE TAKE THIS STATEMENT AS A DRIVING FORCE FOR CREATION, SO WE UNDERSTAND OUR PROJECT AS A FORM OF CRITICAL ENGAGEMENT WITH OUR PRESENT IN CRISIS.

LA DONNA LAMPADA IS A CONTEMPORARY CIRCUS PERFORMANCE INSPIRED BY THE GENRE OF THE PERFORMANCE LECTURE. BESIDES BEING A PERFORMANCE, IT IS ALSO A RESEARCH WORK WITH TRANSFORMATIVE INTENT THAT SEEKS TO GIVE SOCIETY THE CHANCE TO IMAGINE A NEW WORLD.

SYNOPSIS

LA DONNA LAMPADA IS A SLIGHTLY DIFFERENT LECTURE, A SLIGHTLY DIFFERENT CONTEMPORARY CIRCUS SHOW. A WOMAN ENTERS THE STAGE WITH A STRANGE TIC AND THROWS A QUESTION AT THE AUDIENCE. WHAT MAKES HER DIFFERENT FROM AN ANIMAL? THROUGH A WORLD STEEPED IN MAGICAL SURREALISM - WHERE LAMPS COME TO LIFE AND WOMEN LOOK LIKE ANIMALS - WE FIND THE ANSWER TO THE QUESTION AND THE KEY TO THE ESSENCE OF HUMANITY. WHY LIVE LIKE THIS IF WE COULD LIVE DIFFERENTLY? LA DONNA LAMPADA IS NOT AN ATTEMPT TO ROMANTICISE THE CONCEPT OF IMAGINATION BUT TO CONCEIVE IT AS A SOCIAL AND COLLECTIVE PRACTICE WITH THE POWER OF REBELLION. THE ONE THAT WILL ENABLE US TO WRITE THE HISTORY WE WANT AND MOVE TOWARDS A MORE SUSTAINABLE FUTURE.

THEORETICAL FRAME

PHILOSOPHICAL APPROACHES

ANTONIO GRAMSCI, «ODIO GLI INDIFFERENTI. VIVERE SIGNIFICA PARTECIPARE»

To de-fatalise our present. To rethink the present as history and society as becoming. To think and act courageously in "times of misery". To not give up the dream of fighting for a fair society.

«A WORLD THOUGHT OF AS NON-TRANSFORMABLE ACTUALLY BECOMES IMMUTABLE » (DIEGO FUSARO)

WALTER BENJAMIN, «ON THE CONCEPT OF HISTORY»

To understand that the human being is a historical being who can transform what happens. To understand that transforming reality is possible but above all necessary. History is made by men and women, by countries , it does not make itself.

FUSARO, Diego. 2015. «Antonio Gramsci». Itàlia: FELTRINELLI, ISBN 9788807227011

MARINA GARCÉS, «IMAGINACIÓN CRÍTICA»

To raise a historical front in which imagination must play an important role as a social and collective practice with the power of rebellion.

«THE APOCALYPSE, AS A MYTHICAL OR LITERARY FIGURE, IS THE IMAGE THAT ERASES ALL IMAGES. TODAY IT SEDUCES US BECAUSE IN THE END IT IS MORE REASSURING TO THINK THAT EVERYTHING CAN END, THAN TO ENTRUST US WITH THE TASK OF CONTINUING TO IMAGINE SOMETHING BEYOND OURSELVES» (MARINA GRACÉS)

THEORETICAL FRAME

AESTHETIC APPROACHES

To help create an atmosphere of historical reflection. The past and the future enter into dialogue through the creation of images with objects consumed by the hurricane of time. The costumes and objects used are found or recycled objects that carry their own history.

LA SALVACIÓN DE LO BELLO
CHUL HAN (2015)

AESTHETIC OR ANAESTHETIC?

«The polished world is a hedonistic world of pure positivity, where there is no pain, hurt or guilt. Without negativity there is no experience, beauty is exhausted in the 'like'.».

WABISABI
FRANSESC MIRALLES (2014)

THE ART OF THE IMPERFECT, THE INCOMPLETE, THE EPHEMERAL.

«Beauty is everything that is consumed by the hurricane of time».

ABOUT THE ARTIST

During her studies at Pompeu Fabra University in Barcelona (2015 - 2019) - Bachelor's degree in **Philosophy, Politics and Economics** - she discovered her passion for culture, in particular for live arts and circus. From the outset, she is highly motivated to put contemporary circus at the centre of the academy as a means of cultural vindication. Thus, she decided to do research work on the 'interpretation of aerial technique from Asian aesthetics'. In June of the same year, she participated in this research, guided by Raquel Bouso, as a lecturer at the 'Jornada d'Estudi d'Estètica Intercultural: De la imatge al gest' at Pompeu Fabra University.

After practicing artistic gymnastics from the age of 7 to 16, she decided to move from theory to practice and began a new phase where she trained **professionally in contemporary circus** at the Rogelio Rivel circus school in Barcelona (2019-2021) and Flic Circus School in Turin, Italy (2021 - 2022) where he specializes in **aerial rope**. At the same time, her passion for art and culture led her to start a **Master's degree in Cultural Management** at UOC (2021-2023).

She has participated in **social movements** since the age of 17. She understands that culture must be a public good that fosters the development of society and individuals through equity. As an artist, the genre that most captures her attention is the **performance lecture**, a hybrid territory between academia and other artistic forms. She **performed in the show 'Monumental'** directed by Jocelyn Cottencin at the Mercat de les Flors i la Dansa in the Salmon Festival in Barcelona and in '**Circo in Canto**', a circus opera directed by Roberto Magro, dramaturgy by Flavio D'Andrea and music composed by Simon Thierrée. She is part of the **aerial rope collective 'less-kuerdas'**, with which she is creating the show 'Drift'.
